

## NOTES FROM THE SESSION

Our Session has been busy with church business and Presbytery business. The most joyful gathering we had was the installation of Pastor Katie, which was attended by several ministers from our Presbytery. Rev. Dr. Donald Wilson, a childhood friend of Reverend Katie, delivered the sermon. A reception was held in the Wilder House following the Installation service.

Members of the Session completed mandatory Boundary Training online in May. Several members traveled to Clarks Summit Presbyterian Church in June to meet with representatives of the Board of Pensions to learn about the rollout in 2025 of the new benefits structure. This will affect the medical dues our church pays for the pastor.

The Session voted to send two children to Camp Lackawanna. Mia and Jack Enot attended the Adventure Sleuths week and had a great time. They reported seeing eagles, snakes, and porcupines and playing sports, baking cookies, and hiking. They are truly grateful for the opportunity.

Our various church committees have been very busy, maintaining and improving our buildings and grounds, planning events, and caring for each other. Some activities include Mother's Day and Father's Day gifts, the strawberry festival, awarding scholarships, doing sing-alongs at nursing homes, serving ice cream at Dyberry Day Camp, teaching Sunday School, and praying for each other. Look through this newsletter to find more details, or speak to one of the committee chairs. Following is a list of the Committee Chairs:
